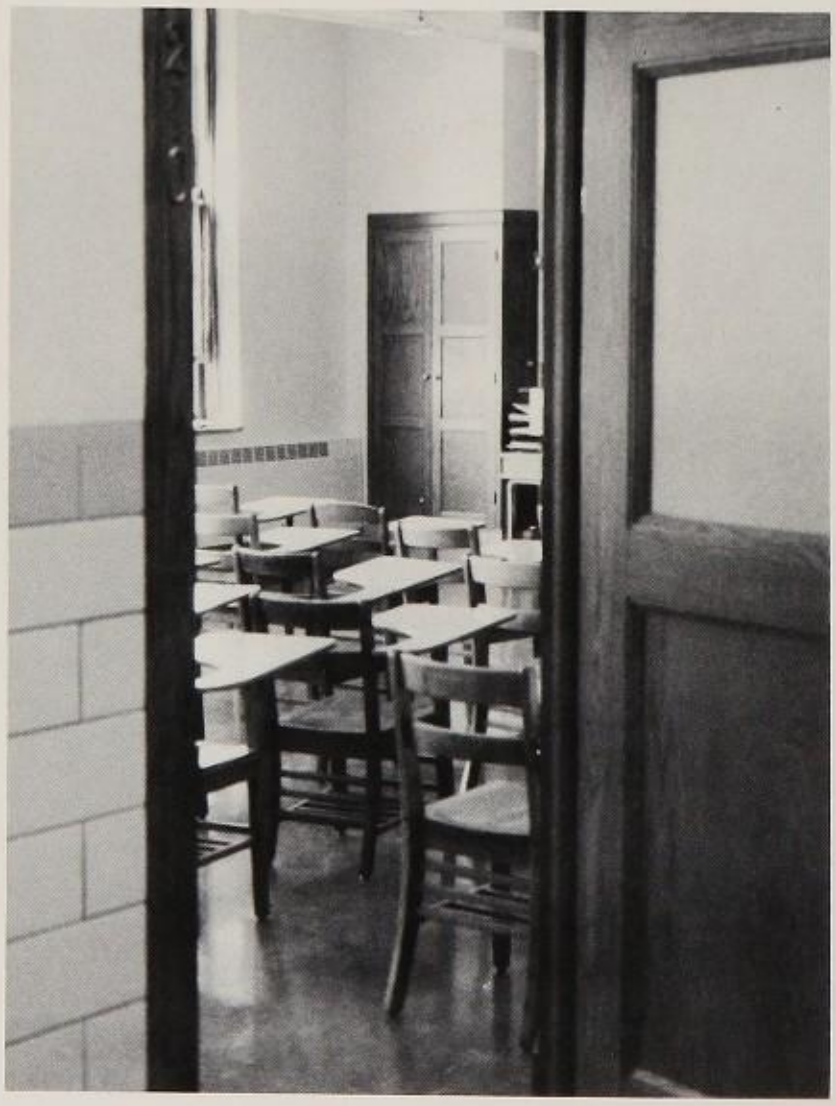
SCHOOL DAYS BEGIN WITH A COLD EMPTY HALL,

EMPTY CLASSROOMS, JUST WAITING ...



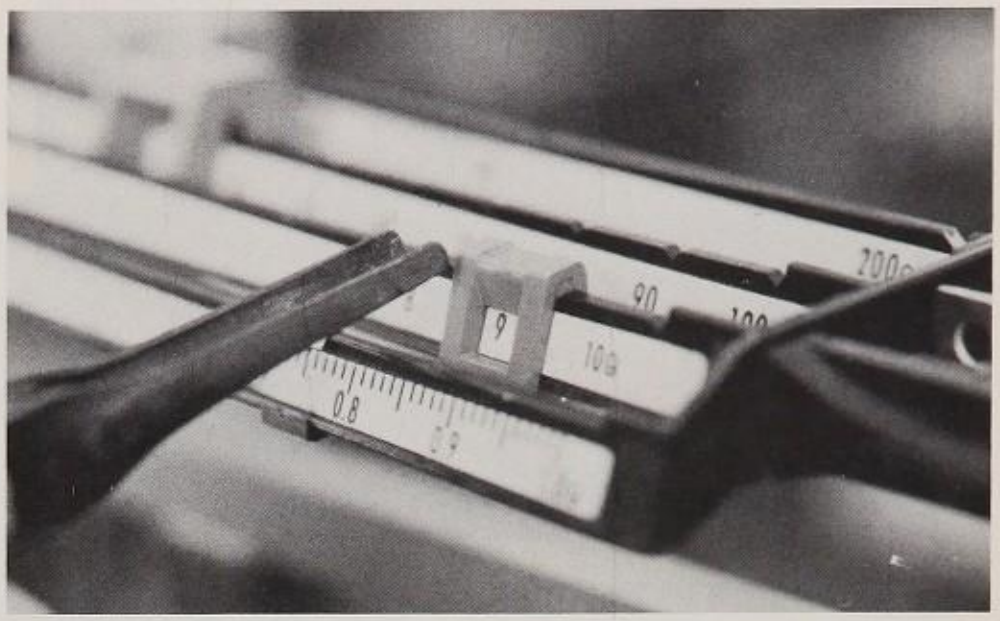
TO BE FILLED BY FACULTY AND STUDENTS STARTING A NEW SCHOOL DAY!

AS THE DAWN BECOMES MORE OF A MORNING, THE HALLS AND THE ROOMS BECOME MORE FILLED AND THE SOUND OF VOICES FILLS THE BUILDING.

AS HOMEROOM STARTS, WE REALIZE THAT ANOTHER DAY OF LEARNING, UNDER THE SUPERVISION OF ADMINISTRATION AND TEACHER, HAS BEGUN.

HOMEROOM ENDS, SMILING FACES ARE SEEN AS FRIENDS GREET ONE ANOTHER FOR THE FIRST TIME OF THE DAY.

DURING THE COURSE OF THIS DAY, AND ALL THE DAYS, WE LEARN MANY IMPORTANT QUALITIES AS WELL AS WHAT IS IN TEXT BOOKS.

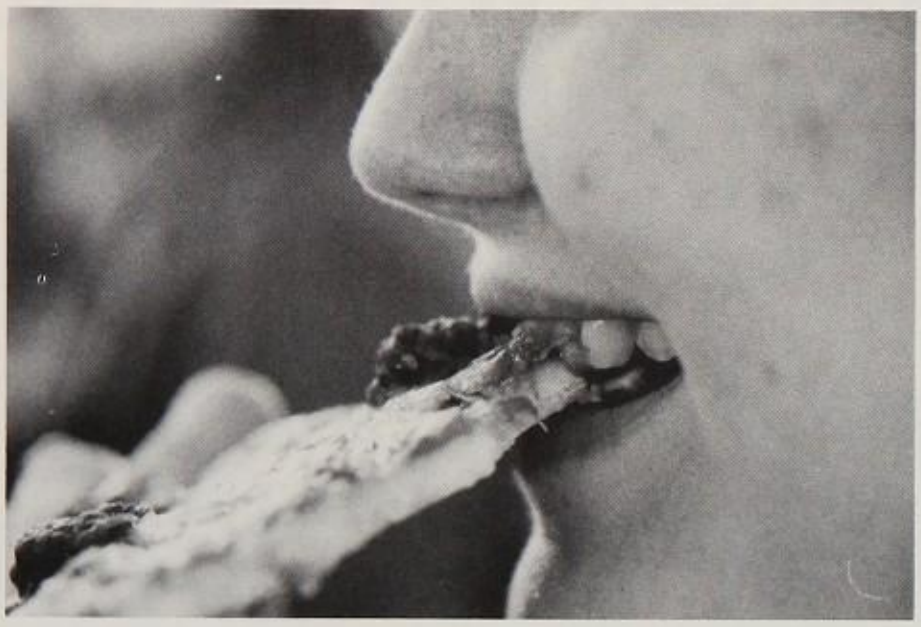


EXACTNESS:

NEATNESS: (?)

AND THAT PRACTICE (HOPEFULLY) MAKES PERFECT.

BEING A STUDENT IS HARD WORK, LUNCH IS ALWAYS A WELCOME BREAK.



WELL, IN SCHOOL ONLY ONE LUNCH BREAK, SO IT'S BACK TO WORK.

TOWARDS THE END OF THE DAY, EVERYONE BECOMES A CLOCK WATCHER AND THE STUDY HALL SEEMS MORE LIKE A PRISON THAN A PLACE TO READ.

FINALLY, THE BELL RINGS AND THE MAD DASH BEGINS.

AH! ANOTHER SCHOOL DAY ENDS!

SCHOOL'S OUT

NOTRE DAME HAS A 40th BIRTHDAY

Times have changed. Fads have come and gone, skirts go up and come down, attitudes and actions also changed. Throughout the years Notre Dame has adapted and changed with the times. The rules and regulations have changed, the teachers have changed, the uniforms (thank goodness!) have changed, and even the subjects taught at Notre Dame have changed. One thing at Notre Dame has not changed — that has been its aim to provide girls with a quality education.

When Notre Dame opened its doors in 1938, its goal was to give girls a good education and to prepare them for what they might have to face in their futures. Although this basic philosophy has not changed, the things the girls must prepare for have. In 1938 not too many girls could even dream about the occupations a woman can enter into today. Notre Dame has modernized and tried to equip the girls with an education that will let them be prepared to take advantage of these new opportunities. They have been succeeding quite well.

On November 17, the present students of Notre Dame celebrated the 40th anniversary with a school mass. On November 19 past students, faculty, and friends of Notre Dame High School also celebrated with a mass. Afterwards, there was an Anniversary Dinner held at Fountain Blue. The gathering brought together people who have supported Notre Dame in the past, have helped to reach where it is now, and who hope for further success and progress in the future.

A TRIBUTE: WE MADE IT (ALMOST)

The gym shoes are hung up for another year.

As I think over the season, I shed a tiny tear —

The early practice schedules, the missed social life,
was it worth all the strife?

To see the team develop and grow, something
the fans will never know.

The sweating, the swearing, the laughter, the tears,
something I can't express —

To come so far in the season, to think Well — Maybe —
we could be the best!

To see the number of fans increase to more and more,
the enthusiasm they gave us out on the floor.

To see them come by car and bus,
to know they came to cheer for only us.

To keep an undefeated streak,

To see it, the final challenge, get closer by the week.

To reach as far as we got,
to want to push yourself for every shot.

To feel the excitement begin to swell,
to go to the playoffs and play like hell,

The championship that game we lost did mar,
but we had come so far.

So, I just want everyone to hear,

REMEMBER WHAT WE DID AND KEEP ONE THING IN MIND —
THERE'S ALWAYS NEXT YEAR!!!

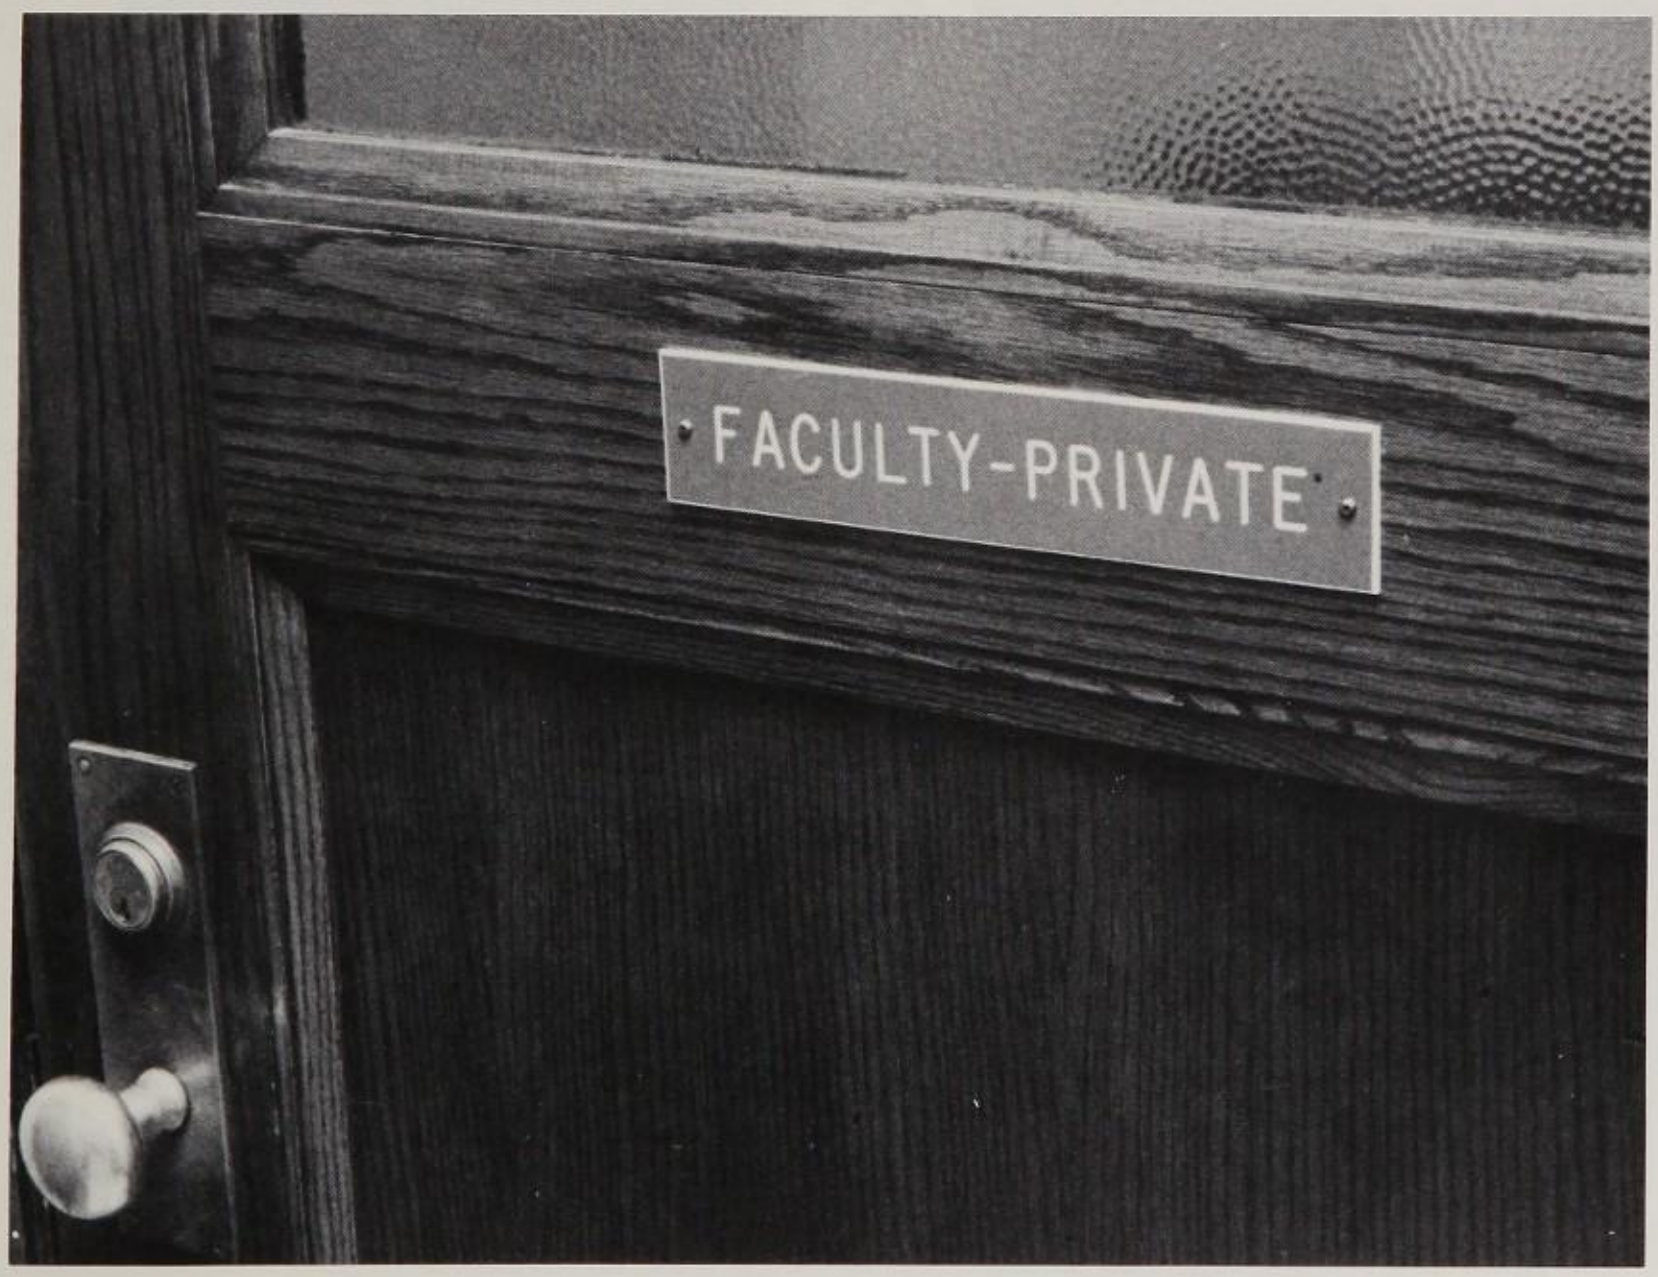
TEACHERS



ADMINISTRATION

Dear Students:

Reminiscing over your past year or years, you surely recall many happenings during your high school days that were filled with joy, sadness, frustration or happiness. All were learning experiences that helped you grow in your striving for adulthood. It has been our privilege to have been a part of your life during this time, and to have contributed to your development.

Future challenges will ask from you a commitment that flows from principles based on your own value system. An important element of that system, which we hope we have encouraged here at Notre Dame, is a life of Faith that is expressed by concern for others, respect for all people and a willingness to share with others less fortunate than you. As Christians, our responsibility to bring the Good News of Christ to all that we meet is more important than ever in a world whose search for love and peace becomes increasingly more difficult.

Although written almost 200 years ago, the words of St. Julie Billiart, foundress of the Sisters of Notre Dame de Namur, are still applicable to us as we look to the future: "We have the happiness of being friends and servants of Jesus Christ. Let us ask for one another that we may fulfill, according to our capacity, the designs of his love for us and let us be convinced that his great goodness will help us. Who knows better than he does, of what we are capable? He who grants us the grace of using us in his work promises to grant us all we ask, in order to glorify him and to make him known and loved."

We are grateful to you and your parents for your cooperation and support and ask God's blessings upon you and your families.

Sister Phyllis Dugan

1. Mrs. Kathleen Caponi: Assistant Principal. Mrs. Caponi has the difficult job of conducting student affairs. She is always ready to assist the students whether it be granting an early dismissal, or giving an out-of-uniform pass.

2. Mr. Robert Giovanonni: Assistant Principal. Mr. Giovanonni, head of the scheduling department, is always ready to assist students when preparing next year's schedule.

3. Mrs. Eleanor Scarpelli: Secretary. The streak of lightning you see running down the hall is probably Mrs. Scarpelli. Besides helping Sister Phyllis, Mrs. Scarpelli keeps in touch with the students by preparing absentee lists, typing up the honor roll, and helping students fill out college forms.

ASSISTANCE, ANYONE?

These smiling faces were always ready to assist students in many ways. Whether it be paying tuition, viewing filmstrips, connecting loose ends for next year's schedule, or locating a copy of *Tom Sawyer,* help was always available.

1. Mrs. Dorthy Nagode, when not working in the Audio-Visual Room, was occasionally seen assisting student pilots.

2. Sr. Marjorie, Notre Dame's business manager, always made sure that bills were paid on time.

3. Sr. Mary John takes a break from the bookstore, as she helps out with the student files.

1. Mrs. Janet Baran was always willing to lend a helping hand to students in the library.

2. & 4. Sr. Mary Michael and Sr. Genevieve Moran, Notre Dame's accountants, always made sure that school finances were kept in order.

3. Mrs. Pat Slovak was kept busy adjusting students' schedules.

GUIDANCE DEPARTMENT

1. Ms. Stapleton, freshman counselor, prepares a tentative list of next year's incoming freshmen.
2. Ms. Pat Brocken, sophomore counselor, is always ready to counsel students when needed.
3. Ms. Madonna Leen, junior counselor, takes a break from checking students' schedules as she poses for a picture.
4. Ms. Mary Ann Gallas, senior counselor, checks her schedule for the next day.

At Notre Dame High School, the counselors' work is never done. Their everyday tasks include talking with students about deficiencies, schedules, and credit standings. Each counselor is fully prepared to guide students down the rocky road of the future.

PROCTORS AND KITCHEN HELP

Proctors are an essential part of Notre Dame. They have the difficult job of keeping students in line the day before prom, the day after ring ceremony, and on warm spring days when the students' minds are far from schoolwork.
